[Axuva Today Network \[ATN\]](#) Today we announce that the Axuvian Government now recognizes The Russian Language as an Official Language, Korean and English were spoken in the beginning, but there were Russians too, russians were forgotten and their language were not recognized due to the things they did in the past, but now their language is a official language of Axuva, and there will now be 3 official languages instead of two.

USA. I doubt someone recreating Rome would be European. Not that Rome was bad, just seems more like some American Rome-o-phile would want to more.

This country doesn't represent my political views.  
Three Principles of the People is a good book.

Why is it called tourist season if we can't shoot at them?  
I'm thinking of buying a church and changing it around: maybe selling crack and having a few whores in the pew.  
Never give up on an idea simply because it is bad and doesn't work.  
If one synchronized swimmer drowns, do the rest have to drown too?
