Probably not.

" We will not bow to your dictation. We are free. We bled to be free.

South Reinkalistan is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly. In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move. As the brittle bones of fragile empires begin to crack beneath their own weight, history's symphony reaches crescendo pitch. The future is all but certain.

It's a rather bizarre nation, one of the weirder ones I've seen here, but ngl it looks kind of lit. I'd try it just for the surrealness of it.

Yes Comrade !

NS Stats are not canon(See factbook for more info). Nation does not represent RL views. IC Name for all other RPs: Union of Soviet Socialist Republics. IC Name for NS Sports ONLY: Sannyamathland. Currently undergoing major restructuring. So factbooks and other settings may change.

You're no longer a communist dictatorship but want to live in a communist dictatorship? Hmm, whatever floats your boat.

I wouldn't want to live in your nation though. Hell no. I made this as a dystopia.
