There admittedly wasn't much I could do with the stars' direction - trying to angle it to the top right made it into a mess.

Something like what one would use as a country flag in Minecraft.

Anime

I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.

Don't meddle in the affairs of dragons for you are crunchy and tolerable with condiments.

A day in the Armada isn't too different from a Star Trek episode if almost everyone in the Federation was a dragon and spiritual.

Trying to collect every NS pokemon card. Almost 630 collected.
