Alright Arzastan, you got yourself a real deal. If Libby responds, I'm communizing her nation and communizing yours. If my guess is wrong, then you will be spared and I will communize the other BN who responded to me instead of Libby.

:>

EDIT - Arzastan is spared and Simonia gets communized again lol.

Sorry. I'm too busy guarding Payonia and planning the ultimate battle against Glitchus to be communized.  
TIU, TIB, or Rumau?

No because I communized those imperial cats and now they serve the socialist state.

Next up has to be Libby or Trepave to be communized. If not, then I will communize the BN.

EDIT - BN's communism is not true communism, therefore it will be communized according to Tito.

YIPPEE!!!

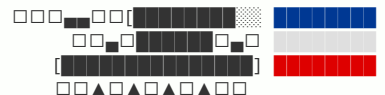

You deserve a medal of socialist labor for a based autism pic.

This time, I'm going to communize Terren. If not, then the next time I come, I will either have to communize Libby or Trepave.

Prussia is communized.

If Parsin gets communized, then long live the neurostate.

EDIT - Because Libby was in my top plan, Libby gets a slight communizing. However, no communizing for Trepave today.

No, sir.

Libby?

Quel est la réalité? Mon souffle, tellement mécanique!

A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.
