"One More Night" - Maroon 5

I like it. It has a nice Reggae sound in it ☐

I hate the Maroon 5 I've heard:P But I've only heard "Moves Like Jagger" and "Payphone", which I find to be the definition of what's wrong with music today.....because they are so dull musically.

Agreed. I hate their music too. OMN is the first (and only) song from them I actually like.

Russian Circles - Death Rides a Horse

Finally got to this song on the Russian Circles playlist (they have 4 short albums, so it didn't take terribly long).

My god the badassry.

Dat drum solo from 4:47 to 5:07. I don't think I've heard a drum solo in a song in ages.

It would be better coincidence if I had been listening to 2112 myself when I made the post.

**De Magia Veterum - The Disharmony of Answers**

The language of *Draugaborg* is *Draugskur*. The demonym is *Draugaborgskúr*(male) or *Draugaborgskö* (female), both plural and singular. The adjective is *Draugaborgar*. *Draugskur* is a constructed and artistic language created by me, and is based mainly on Icelandic and Russian. Please note that its systems and grammar may be modified, so certain posts will be rendered void in retrospect.
