If the kid dies, 2nd degree murder, which is 7 years.  
If the kid does not die, heavy fine of around 20,000 Shells.

As long as the trumpet players were not employed by Helios Corporation, innocent. If they were, forced labor for at least 72 hours with only 500 calories as reward.

Join a conspiracy to kill YL and then chickening out the last second.

Not technically a crime, you'll just get pretty funny looks, especially from the spectres and spirits.

Humane execution if the "witch" was killed and or tortured. Civil liability. If the "witch" died by natural causes and her corpse was burned, then there would be a fine.

Killing a real witch in as humane a fashion as possible.

Depending on what else you did to them it can go as far as a life sentence (or death, if preferred). Taking away someone's freedom is considered a capital offense.

Nothing. There's religion freedom in Strye, so you will most attract the anger of the more hardline religious people.

It changes if the person is doing it in a racist/prejudice way, then is a hefty fine (6000 Blupias) to 2 years in jail.

Treated the same as any other murder; if proven guilty the perpetrator gets to enjoy various "cruel and unusual" punishments dreamt up by the denizens of 4chan and the somethingawful forums.

Whatever quivering mess that remains at the end of this - regardless of whether it somehow still clings to life/sanity - gets sent to Resyk and turned into lovely nutritious Soylent Green.

Conducting profane rituals and consorting with blasphemous entities, with the aim of beseeching the eldritch powers to strike down any foreign leaders the BN is currently displeased with.
