In Forum 7, damn near *errybody* know who this cool cat is on the block. He can't even shimmy down the NS Street without hearing from dem rooftops.

Nah, jk. In all seriousness, this guy is very well known in Forum 7 as a regular within most threads.

I'd say this nation is about 85-90% representative to my beliefs. About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

Very significant influence and presence in the realms of MT/PMT worldbuilding, on top of the F&NI indexes that they have made.
