Militaristic Society

Hi I am Jakob I, I am the current heir prince of Saint Jakob, a "nation" created to experimentate how should I be as a politician?, this is an autocratic semi-absolutist monarchy and a corrupt place located in the jungles of Central America but it is not a bad place to live, we are just learning very slow how to manage a country. ;)

Theocracy nominally head by a central + spiritual figure but de-facto ruled by an oligarchic group of religious leaders

No formal government can be described, everything is under the authority of a totalitarian autocrat who has complete authority over everything to do with the state. Any 'government structure' only exists at the whim of their autocrat if they feel like delegating any (limited) authority to the most loyal servants of their authority.
