I'm about the same age too. Puscifer is cool.

The Smashing Pumpkins - "Where Boys Fear To Tread"

I actually started really enjoying the Man Overboard song, and I'm not even sure why. My favorite favorite from the stuff I've heard enough is The Rapture. See, this is where my dad and I share similar music tastes  He's the one that got me into them, and had me guess who was singing, to which I was pleased with myself for getting, even if my answer was "The Tool singer".

Bitten, Comus.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
