2/10 has a big heart but that star has some scary looking points.

The Free Imperial City of Aachen is a small nation composed of the city of Aachen and surrounding rural towns. We are devoted to our independence and have an unusually large military for our size. We are also allied with many other small nations and have our strength in our numbers. We generally support the right of other nations to do as they please so long as we remain unaffected.

How evil is Populous Magnus? Based on their flag, 5.5/10, because although their colour scheme would indicate that it is a peaceful nation, the way the eagle is designed does convey otherwise.
