CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Now I am listening to an audio drama of Star Wars: Return of the Jedi.

The addition of Vader's final words to Sidious is chilling and epic.

Vader: MY SON!!!!

Sidious: NOOO!!! Vader, release me! Vader, I command you! Put me down!

Vader: I will! Down the core shaft! Down to your death!

Sidious: Vader! I am your master!

Vader: Darth Vader's master, but not Anakin Skywalker!

Sidious: -SCREAMS-

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
