Like Dutch but they ruined the flag, WITHOUT TURNING THE RED INTO ORANGE. 6/10.

Clarification: If they turned the red into orange, my vote would have been less evil. The red on the Dutch flag is depressing.

I'm like 50% sure that's a fascist symbol, but your color scheme says otherwise...half of 50% = 2.5/10

It was used by occultist Nazis (essentially the occultist circle around Heinrich Himmler), although the symbol is older, being used by Bronze Age peoples with a completely different meaning from the one given by the Nazis; it was just a variant of the running sun, sol invictus, or sun cross.

Also correct. It is just one of the many pagan symbols that have been completely misappropriated and now are forever tainted.

2/10

What if Eastern Rome survived?

Basic Overview: Basically an althist where Basil II actually has decent successors who build on his achievements, resulting in a STRONK ERE that beats back the Sejuks and eventually does it's own reconquesta in the Middle East. Also, The Crusades never happened, the Viking conquest of Britain succeeded, and the HRE became a centralized state and destroyed the Normans.

2/10

The Avant-Gardist State of Patagonia ~~~ Gauchos and Mapuches, orgies and parties, avant-garde art, futurism, syndicalism, the New Man, general strikes, the glorification of violence, spiritual nationalism, esoteric occultism, CIA spooks, Spartanian homosexuality, public sodomy, and more

Triomphe du Surréalisme (1968)

- There are many things said about Patagonia but few actually know what goes on behind the Andes mountains. Tales of human depravation and man's inner darkest self run wild. A place where avant-garde culture flourish and the artist don't fear the censor. Where all live bold and free under the gaze of the Patron. Yet all dreams will come to an end soon...
- Not expecting an essay. Just a couple of sentences that shows that you know my work well enough

Love this flag! And 1/10

For my own flag, does not have anything to do with anything Nazi (last thing I would use).
