Depends on the **questionable act**. If it's buying illegal stuff then prepare for a loud *bonjour* from the government. If it's the questionable acts I think you're implying, then a good old fashioned public execution awaits them.

500 Gabing fine and you have to scrub it off yourself. Further more, if you made a grammar mistake whilst graffitiing the monument you would be brought to a blank white wall and forced to write that word correctly 1000 times. Afterwards you would have to scrub all that off too.
