Dr. Dre – The Roach (The Chronic Outro)

If liberty means anything at all, it means the right to tell people what they do not want to hear. - George Orwell

Gravediggaz – Diary of a Madman

"Bear witness as I exercise my exorcism

The evil that lurks within the sin, the terrorism

Possessed by evil spirits, voices from the dead

I come forth with Gravediggaz in a head full of dread

I've been examined ever since I was semen

They took a sonogram and seen the image of a demon

At birth nurses surrounded me with needles

And drugged me all up with the diseases of evil

Grew up in hell, now I dwell in an Islamic temple

I'm fighting a holy war in the mental

Look deep into my eyes you'll see visions of death

Possessed by homicide is what I am obsessed"

If liberty means anything at all, it means the right to tell people what they do not want to hear. - George Orwell
