They don't seem to have a single primary banner, but from the couple banners that I've seen:

~~COVER YOUR EYES. "COVER YOUR EARS, RUN. THERE IS NO HOPE."~~

Countless self-governing communities throughout space that are united under one constitution.

I only use NS Stats very loosely - I mainly use factbooks - Telegrams welcome

The Jacobin destruction of the Sistine Chapel causes the papacy to be moved to Vienna, and become incorporated directly into the House of Habsburg and Austrian politics

And by some series of not yet spelled out so consider it alt-hist wizardry, the Archduchy of Austria becomes a semi-democratic federation in order to keep the nation stable, while the monarchy still retains significant executive authority
