*Skrzydła Chwały* - Horytnica

Genre: Heavy Metal  
Album: Pod Znakiem Miecza

So far this sounds like standard Horytnica, they're consistently good so I'm not complaining. There's a bit of a symphonic element added in (speaking of this album so far in general) which is cool. And they're not writing the same song over and over, so far these songs have sounded fresh and new while being undeniably Horytnica.

*Rój* - Horytnica

Album: Pod Znakiem Miecza

Okay, this song is a bit different for Horytnica. But I like it.

*Plomienni Kochankowie (Miłość i Wojna cz.2) - Horytnica*

Genre: Heavy Metal  
Album: Pod Znakiem Miecza

So here's part 2! Starts a bit more powerfully than the cz.1 but the verses have some nice clean guitar weaving in among the drumming. Some other really nice elements with all of that too.
