Monkey 266 shot 267 before pointing out that 433 had already been burnt in a volcano.

What he didn't realise, however, that he had ended up in the Japanese G1 continuity of the Transformers franchise.

He was retconned, along with the Disc of 433, out of existence.

The good interpretation of my story

Teffland wrote:

Avoidance of the genocide

[...]

- [Monkey #476](#) made a "Ten Thousand Monkey Genocide Avoidance Cannon" and shot it. Monkey #1179 and all other existing monkeys could be saved. It is the mother of the child. It got the idea for the cannon from the philosophic [Monkey #1092](#) it talks to, who happened to have discovered the truth of the genocide and escaped the story later.

Liebendeland wrote:

Monkey 274 was a human nationalist despite being a monkey; and he went back to murder every surviving monkey to make sure none had survived and all were 100% dead. It was for the good of the multiverse that monkeys be erased. He then ended his own life for the process. It was his turn to die.

Sigh Why this destruction of the great attempt of salvation for the monkeys? It disappoints me. Rename your country: Liebendeland (German for land of the loving) does not fit.

P.S. I have never said, that the "good interpretation" of the story is the one happening. It is one interpretation of the story I told. The Ten Thousand Monkeys Genocide Avoidance Cannon could still have failed.

Monkey 257 pulled a Disney and de-retconned the disk of Monkey 433 back into existence. He then got stabbed by JJ Abrams for stealing the idea.

Monkey 256 was stripped of his flesh by the flesh demon. His skin was off and he was a skinless monkey. And then the muscle demon came and ate his muscles. All that remained was veins, fat, and organs and bones. But then, the fat demon came and ate all his fat! (there was a lot of fat because this was a fat monkey).

And then the bones demon came and ate the monkey bones. So he was a pile of organs and veins lying on the ground. He was in excruciating pain, pray that this will never happen to you!

Then finally the veins demon came and ate all his veins, before the organs demon ate his organs. At last, the monkey felt death's sweet embrace.

"OOOOOOH! OOOOOOH! AAAAAAAH! AAAAAAH!" he cries in pain.

Then I get a sledge hammer and bash monkey head in repeatedly until there is nothing left. I bash his skull in violently i pulverize i obliterate i crush i go RRRRRNNGGGG while i crush his skull between my hands in a violent frenzy.

I work up a sweat while grounding up monkeys head. I get a heavy rock and repeatedly SLAM it down onto his head over and over again. I go RRRRAH!!!! and then SLAM it down HARD.
