Not here.

Yosuya. Xoshen. Revachol. Yaytasia.

Hello there. I'm **Simonia**, your average leporine TG-loving F7er. Our nation has twenty-one provinces, four regions, and four capitals. And before you ask, **Pink Castle City** is called that for its pink castle, **Pink Castle City's main building**.

A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.
