The inevitable, immeasurable, inexorable and monstrous, **Count Owen Jimmothy Cena, the #046 of the Celica's Cure Gardens** appears in front of F7's most famous gay couple and blesses their relationship, offering pistachio and peanut ice cream to the couple.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.

#3791, after having a long discussion with himself about the topic, grabs a bazooka and goes on a murder spree, killing 926 people, sadly including Joe, before he is captured by the military.

New man called Max Barry.

TEXAS - goodbye, everyone :)

Max Barry decided that only ubernerds would care about some promo for a not-*Ghost in a Shell* book, and cancelled the project. He instead decides to become a prophet.

The inevitable, immeasurable, inexorable and monstrous, **Count Owen Jimmothy Cena, the #046 of the Celica's Cure Gardens** appears again and this time he comes to prevent the derailment of the thread and that men from other timelines act like a cancer that will kill the multiverse. The man of the moment is once again Prophet Max Barry who creates the game *ProphetStates*.

Bro, at this point, this is excessive. Can we just call him Jimmothy?

Jimmothy voluntarily places himself under the protective custody of the Spacetime Phenomena Research Comission, his home and neighborhood in western Pima County, Arizona will be monitored by agents in case any potential cosmic threat comes looming over it, and he is provided a hotline if the aforementioned worst case scenario event were to happen unexpectedly.

The God of the NSForums witnessing the clusterf*ck that is all the timelines declares "ENOUGH!" and wipes all Mans and their descendants and allies from all timelines possible. This is the permanent end of Man...

...except for one man named Billy Bob, who was luckily wearing his anti-God chromoton belt when the wipe happened. Billy Bob ponders what to do next.

MAN WITH A PLAN meets a man named Gerald. Gerald is a smuggler from OF MEMERS and MAN WITH A PLAN decides to buy an entire DreadNaught to use in his "quite heist"suit (mech suit with miniguns and rockets)

MWAP is captured by the Missouri Army National Guard, and available law enforcement officers in Callaway County, long before the heist could be executed, due to the Mech Suit that was going to be used in said heist not being concealed properly, it was sticking out from his house's backyard like a sore thumb. He is placed under temporary house arrest, awaiting a court hearing and subsequent prison sentence, while the suit is taken away via airlift from a UH-60L. Gerald is also captured by law enforcement in his Jasper County home for colluding with MWAP, as well as having a criminal record of smuggling and distributing contraband from OF MEMERS.

Not something you'd see everyday in T654178.
