Why am I listening to all sorts of different depressing songs about love???

Same here. If I'm sad, I listen to sad or dark music. Listening to happy music doesn't do me anything when I'm sad, even though people tell me I should listen to happy music if I'm sad. If I'm happy, I listen to sad or dark music too ☐ And every now and then, happy music.

:S That's nonsense. If I'm happy I listen to dark music. If I listen to happy music when I'm happy then it makes me feel sad and uncomfortable. If you want to be happy you listen to crushingly doomy music. Or you can rave.

No, we aren't the Sassanids nor descendants of them.
..and no, we aren't Muslims, either.
