"Twilight Zone"--RUSH

True. Guess what would make it even more epic song? If it lasted 21:12. Now THAT would be amazing.

Well, one other band kinda did that. Venom made At War With Satan in '83. The reason was that their vocalist/bassist was a HUGE Rush fan and they wanted to make a tribute to them. If you combine At War With Satan and the intro/ad from the previous album, the total length is 21:12. The first real progressive metal song.
