I couldn't get much information about the political parties of Hoyerlay, so I'm basing my opinion quite a bit on the parties within the United Kingdom.

I think I would choose to give my vote to the Social Democrats, or the Independent Conservatives (I would choose the Independent Conservatives, but they are so small within your government, so probably the Soc Dems.)

BN, there are three main Political parties within Tsarstvo Alyaski. See this dispatch for details about the three here:

The Tsardom of Alaska

Царство Аляски, or the Russian Empire lives on in it's old colony, Alaska after the conclusion of the Russian Revolution of 1917. Standing with it's allies against the Moscow Accord of Russia and it's alliance members, nevertheless world tensions dwindle and the people of Alaska grow ever more desensitised with the conservative status quo, and their insistence on clinging to a now redundant past.

An alt-history Israel where the UN Idea of 1948 went through and Israel never went to war with Palestine, Jerusalem is an international area jointly controlled by the UN, Jerusalem Municipal Government and the three major world religions and the Gaza Strip voted to become independent.

"I was a little cautious about the Liberal Democrats, but from what I can tell the name seems to just be a coincidence. So if I were a Ceannean citizen, I'd cast my vote for them. The Liberal Democrats push for a good social safety net and environmental accountability, and that's right up my alley."

BN: See signature for a link to Baizou's political parties. Bear in mind that some parties' names may seem to belie their actual policies.

Green Party seems good economically but might be a bit too Luddite. New Enlightenment Party is the opposite, it has good social views but is too capitalist. I'd probably vote for the Social Democratic Party or the Justice Party, both all-around good and have more support.
