Maps - Yeah Yeah Yeahs

That was just now. Now it's the FATAL RPG song. Which exists and why.

*The vocals are too soft. For a metal song. And gurgly. **They fucked up the simplest sound mixing.***

Peter Kropotkin wrote, "We accustom ourselves and our children to hypocrisy, to the practice of a double-faced morality. And since the brain is ill at ease among lies, we cheat ourselves with sophistry. Hypocrisy and sophistry become the second nature of the civilized man. But a society cannot live thus; it must return to truth or cease to exist." ***The Conquest of Bread (1892)***

Brian Auger and the Trinity with Julie Driscoll - *Save Me*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

The Peacefully Non-Aligned Republic of Hengzhou | [President](#) | [Parties](#) | [Ideology](#)

Strive for peace at all times, whatever the cost!
Hengzhou is a fully-Sinicised nation located in Indochina, comprising all of Vietnam, Cambodia, Laos and the Philippines with the addition of Hainan and the Malay Peninsula. Always striving for peace, the country is very proud of the fact it hasn't been involved in a destructive war for over 300 years. Currently making the transition from a pro-western capitalist economy towards a more neutrally-inclined democratic socialist one.
