Absolute monarchy with an Iranic/Steppes-like culture

Last edited by **Upper Nan** on Thu Apr 21, 2022 7:23 am, edited 1 time in total.

The Dominion of Upper Nan: a technologically-advanced technocratic, national-syndicalist state where the people are mostly left to their own devices and given generous benefits so long as they obey the (numerous) laws and don't get any clever ideas about challenging the State's authority or bringing back democracy.

Largely inspired by *Judge Dredd*, Plato's *Republic*, and the political philosophies of Juan Perón and (to a lesser extant) António de Oliveira Salazar.
