I've honestly never seen them before and they only have 20 posts, so I suppose they are not well-known at all.

They are relatively new so, I don't think they are exactly well-known. Nevertheless, I've seen them around, so maybe AN/AU has began to be noticed by more people.

Judging from their founding date, they seem to be relatively well-known, especially in F7, where I've seen them multiple times.
