Decently known, seen them around quite a bit recently.

Hey, I exist (*occasionally*). I usually stick to the game (trading cards, answering issues, etc) but in the rare\* occasion I feel like making a post, I'll be here. I also have tendencies to howl at the moon and can sniff out 'fendas from up to 30 miles away.

Well they may be new, but they have certainly established their presence in F7 quite quickly so I would say somewhat.

A little, I've seen them time to time but not always.

I would guess pretty well known.

In my accounts I am: RP mod in the 2070 RP Region, ex-Meta Mod of the Democratic Bloc, 1st (and former) President of the GCN, ex-RP owner of Medieval RP, and only Emperor of DA DA DA DAT DA.

Might have a bit of bias here, but they're pretty well known in II threads, though probably not much on some political threads.

Seen them around a fair bit in F7, so pretty well known here.

Arms Dealing, Blockade Running, Black Market Procurement, Mercenary Contracting. We get you what you want, where you want it, for a price. We also chose to not sign anti-piracy laws for a reason, it'd be a shame if your cargo went missing.

For County: Well known enough to be discussed by NS discords, for a... not so pleasant reason if I may add.

For Amby: Not well known, but it could change drastically in the near future.
