Seems like a pretty good nation, I don't see why not.

**America-Modern is a nation created with the intent to accurately portray and roleplay how the United States acts in the modern era. We do not use NS-Stats, instead we use real-life stats. This nation was brought to you by the guy who made USA-1980s.**

Really high income tax, yet still a capitalist country, little civil freedom, I'm going to have to say no.

There isn't too much info on it other than how their government works, but based on that, and how they seem to imply what their nation is like from those factbooks, I think I could give living there a whirl.

No, I've been to a Middle-Eastern country for a year. I never want to go back.

☐☐ Republic of Confederate American States and Syndicates ☐☐

☐☐ No, it is not the Confederate States of America. No, it's not the South either. SU stands for 'States and Unions'. The right acronym is RCAS. Please read the Factbook. ☐☐
