In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.

Because I quite literally know nothing about the other parties, I'd have to reluctantly go with the Kuladite Faction of the Camp of National Unity.

No alt-history here, just me wanting to make a Portugal puppet.

Given my recent trend with puppet creation, you should be able to tell who the owner of this is.
