*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

Bushido - Es gibt kein wir

The dead swans lay in the stagnant pool.  
They lay. They rotted. They turned  
Around occasionally.  
Bits of flesh dropped off them from  
Time to time.  
And sank into the pool's mire.  
They also smelt a great deal.
