The Rolling Stones - Anybody Seen My Baby?
From *Bridges to Babylon* (1997)

*Close my eyes
It's three in the afternoon
Then I, I realize
That she's really gone for good
Anybody seen my baby?
Anybody seen her around?*

*Love has gone and made me blind
I've looked but I just can't find
She has gotten lost in the crowd*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Stevie Wonder - I Just Called to Say I Love You
From *The Woman in Red* (1984)

*No April rain
No flowers bloom
No wedding Saturday within the month of June
But what it is, is something true
Made up of these three words that I must say to you*

*I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart*

The Police - Every Breath You Take
From *Synchronicity* (1983)

*Every breath you take
Every move you make
Every bond you break
Every step you take
I'll be watching you*

*Every single day
Every word you say
Every game you play
Every night you stay
I'll be watching you*

*O can't you see
You belong to me
How my poor heart aches with every step you take*

Public Enemy - Bring the Noise
From *It Takes a Nation of Millions to Hold Us Back* (1988)

*Listen for lessons I'm saying inside music
That the critics are all blasting me for
They'll never care for the brothers and sisters
Now across the country has us up for the war*

*We got to demonstrate, come on now
They're gonna have to wait 'til we get it right
Radio stations, I question their blackness
They call themselves black, but we'll see if they'll play this*

Embrace Of The Endless Ocean - Amon Amarth

Genre: Melodic Death Metal
Album: Twilight Of The Thunder God

*The storm came down without remorse
and water crashed the rails
the ship was thrown back and forth
as strong winds ripped the sails*

*The icy waves embrace my skin
I am going numb
The endless ocean swallows me
This will be my cold wet tomb*

*Won't feel the breeze of my home shore
nor see the lakes or winter snow
my hopeful dreams lie ripped and torn
father, I die alone*

everyone knows that quote, "I know not what weapons World War Three will be fought, but World War Four will be fought with sticks and stones," but in a way it's optimistic and inspiring because it suggests that even after destroying civilization and returning to the stone age we'll still be sufficiently globalized and bellicose to have another world war right then and there

Anthrax - Antisocial

From *State of Euphoria* (1988)

*Oh mister time will you ever unwind
Or just rebuild a new design
Your claim to fame is law and order
The rich get rich, the poor get poor
You put a price tag on what you see
This one's for you, that's for me
If that's winning I'd rather lose
Why don't you listen to my senseless views*

*You're anti, you're antisocial
How do you feel?*

Eminem - Stan

From *The Marshall Mathers LP* (2000)

*I hope you get to read this letter, I just hope it reaches you in time
Before you hurt yourself, I think that you'll be doing just fine
If you relax a little, I'm glad I inspire you but Stan
Why are you so mad? Try to understand, that I do want you as a fan
I just don't want you to do some crazy shit
I seen this one shit on the news a couple weeks ago that made me sick
Some dude was drunk and drove his car over a bridge
And had his girlfriend in the trunk, and she was pregnant with his kid
And in the car they found a tape, but they didn't say who it was to
Come to think about it, his name was... it was you
Damn*

Carolus Rex by Sabaton

Album Released 2012

A Power Metal band from Falun, [Sweden](#) who's lyrical themes deal with war heroes and history. The singer is so powerful, the guitars are amazing, and the atmosphere is perfectly epic.

Monty Python - Decomposing Composers
From *Monty Python's Contractual Obligation Album* (1980)

*Beethoven's gone, but his music lives on
And Mozart don't go shopping no more
You'll never meet Liszt or Brahms again
And Elgar doesn't answer the door*

*Schubert and Chopin used to chuckle and laugh
Whilst composing a long symphony
But one hundred and fifty years later
There's very little of them left to see*

*They're decomposing composers
There's nothing much anyone can do
You can still hear Beethoven
But Beethoven cannot hear you*
