I have only just discovered the band recently, but it seems that I have got into them pretty quickly. They are certainly something different.

Deathspell Omega - "*Hétoïmasia*"

From the same album.

Satanic Warmaster - Warmaster Returns

*Those who awaited in dread and revulsion
For the sombre tyrant's return
And to once again hail the cloven hoof
In forbidden spirit with the courage of kings*

*In times of strife
A fire burns
Warmaster returns*

Lacrimas Profundere - *While*

“ CVT Temp wrote:
I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

*Don't you know I'm still standing better than I ever did?
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind*

*I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

(həd) p.e. - Tiananmen Squared
From *Insomnia* (2007)

*It all started in the year 2025
The working men put their differences aside
Crips and bloods, aligned with the white pride
Took our country back from the inside*

*Meet me in Tienanman Square
The whole wide world will be there waiting
Meet me in Tienanman Square tonight
This time we'll
Fight for freedom
Fight for justice
Fight for the children*

Elton John - Levon
From *Madman Across the Water* (1971)

*He was born a pauper to a pawn on a Christmas day
When the New York Times said, "God is dead
And the war's begun, Alvin Tostig has a son today"*

*And he shall be Levon
And he shall be a good man
And he shall be Levon
In tradition with the family plan*

*And he shall be Levon
And he shall be a good man
He shall be Levon*

Elton John - Mona Lisas and Mad Hatters, Part 2
From *Reg Strikes Back* (1988)

*I used to think that New York City
Fell from grace with God
And innocence abroad
Waged a war for the underdog
When the snow falls
And Central Park looks like a Christmas card
I just looked beyond the bagman
And the madness that makes this city hard*

Elton John - Latitude
From *Made in England* (1995)

*And latitude
Fold back the mornin'
And bring on the night
There's an alien moon
That hangs between
Darkness and light
Latitude
Between me and you
You're a straight line of distance
A cold stretch of black across blue

Billy Joel - Summer, Highland Falls
From *Turnstiles* (1976)

*They say that these are not the best of times
But they're the only times I've ever known
And I believe there is a time for meditation in cathedrals of our own
Now I have seen that sad surrender in my lover's eyes
And I can only stand apart and sympathize*

*For we are always what our situations hand us
It's either sadness or euphoria
And so we argue and we compromise
and realize that nothing's ever changed
For all our mutual experience, our separate conclusions are the same*

Billy Joel - The Longest Time
From *An Innocent Man* (1983)

*Woah, oh, oh
For the longest time
Woah, oh, oh*

Founded: May 28, 2014
Democratic Socialists

*For the longest
If you said goodbye to me tonight
There would still be music left to write
What else could I do
I'm so inspired by you
That hasn't happened for the longest time*

*Once I thought my innocence was gone
Now I know that happiness goes on
That's where you found me
When you put your arms around me
I haven't been there for the longest time*
