Albeit being kinda developed, no, I wouldn't, it's just too authoritarian for my taste.

### United Socialist States of Norden

Probably yeah. I don't like the way they phrase "new legislation regarding free speech online" and such, but overall it seems like an inoffensive centrist democracy that I'd gladly pick over some of the other options out there.

A 7/0/7 10.28 civilization according to [this](#) index.

I don't usually use NS Stats.

Maybe.

Please do not use NS stats, even though they're *slightly* accurate - except the tax rate, of course.
