THE PEOPLE □ ETERNAL

" We will not bow to your dictation. We are free. We bled to be free.
Who are you to tell us what we may and may not do? **We stopped being your slaves an era ago.** "

South Reinkalistan is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly. In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move. As the brittle bones of fragile empires begin to crack beneath their own weight, history's symphony reaches crescendo pitch. The future is all but certain.

Military News so you were drafted, what now? more on this at stardate 2790.83

Economic News collision of two devonian merchant ships over skaegan prime results in zero relevant deaths

Social News tired of your cookie broadcasting government propaganda in your dreams? too bad.

The year is 2521. Terrorists kill millions in wanton attacks, the alpha quadrant economy is in a deep recession, and the galactic community tries to maintain a shaky alliance between Humanity and the Skaegans while an emerging empire is preparing for war.
