4/10, they're fairly new, but they're putting themselves out there a bit.

2/10, very new nation, 135 posts is a lot for someone who was founded not even a week ago, one could say that their nation and name is recognizable, but being someone so new, not a lot of people here know them yet.

6.7, surprisingly enough I've seen them frequently and they're quite recognizable, but I don't remember seeing them before December unless their flag changed and I forgot, nevertheless they are a frequent enough face that they're hard to forget.
