Not enough info to say for sure, but it seems like a pretty average European socialist state so it probably wouldn't be that bad.

I use NS stats for the most part, excepting where issues and stats dont make sense with my Nation's setting.

My Nation is roughly based on my actual political beliefs; it is a form of Socialist Republic, in which citizenship is granted for government service (either military or civil, think Starship Troopers), with a very heavy environmentalist and conservative bent.
