Taboritsky < Yazov

Oh come on bro! Don't slander the funny clock man!

Doesn't matter sis, he's still a pedo.

Yeah but he did destroy Bormann's reich, didn't he?

Yazov could destroy Germany 10x faster than the clock man.

But Yazov gassed the nazis as well.

Very funny. But we both know that gas chambers are an insult to big man Ted Kacynski.

Crap, didn't think about that. Sorry mother nature!

I only use the term Cossack OOC because it's something people will understand. IC, Zirkovians don't see themselves as Cossacks, and most don't even know the Cossacks existed at all. Records of Terran nations and cultures are mostly lost, and all that is known comes from legend and isn't really reliable
