I've been listening to Baltic folksongs to get into the feel of my nation, and while researching some historical stuff about Old Prussia, for my factbooks and whatnot.

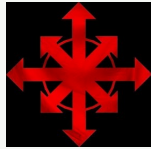

It's really weird listening to pagan music about sun-gods when you're an irl christian... Pretty sure Saint Peter is gonna kick my ass down the heaven staircase if I keep this up, but them **heathens** are pretty good at making some dope-ass tunes.

Kinda makes me wanna behead the best lamb of the flock to please the thunder-gods so my crops grow bigger, but this isn't 800 AD, and I'm not an illiterate Curonian farmer.
