I like that one ^ better.

It turns out it's longer, it's been cut off somehow...

actually i just had my sound turned off and the air conditioner going, partially because it gets up to between 80 and 90 (f) in here, and partially because several neighbors have their sound going.

bringing up my music player now, what comes up is:

snow fox, by equium auf der zorazs, from the jon pitt's album.
