TRTHNBB is a very popular non-gameplay region (where they are an RO in), and the user themselves is extremely recognizable all around, therefore, very very well known, love to see ya around Socialistic Britain :>

We (by me, I mean my other nation, Ionaris) were founded at around the same time, and I recognize them from many threads we interacted in (though we haven't interacted that much directly), they're quite active over here now, so I'll say very well known
