Rezmaeristan mostly represents my views, but in some ways represents stereotypes of fascist countries.

6590 had "borrowed" the banana from the banana tree belonging to 6589. 6590's close relative blamed 6589, and bludgeoned him to death with a banana bunch.

Monkey 6589 slips and falls out of a tree and into a woodchipper. He screams in agony as he is pulled feet first into the machine, slowly being torn to shreds until his voice is cut off and the only sound left is bloody gibbets flying out the woodchipper vent and splattering on the ground to the horror of the workers.
