Nope. This is someone else.

Mikustania? Is this your leek?

Dmitry Yazov is grabbing his popcorn, invited some warlords to come and brought Zhukov's White Cokes, For he is watching the Final Trial of Democracy unfold.

I just wanted to state that i'm **NOT** a communist, nor a socialist. I just want to experiment with this country.

Also, I need some rest, so I'm less active on NationStates. Feel free to telegram me though!

Certainly not you.

Mardesurria.

THE PMC OF RAVENS SECURITY FORCES "Be they Fash or Red, they'll soon all be dead!"

Fukuyama's vision of an end to history has finally arrived however belated it might be to his critics. No matter, for his naysayers are long dead and if not dead, certainly dying hanging on street lamps. As a new and prosperous age under the gardeners of Europe begun, legions of mercs and psychos from the European-American War are convened to find, liquidate the remaining vectors of so-called "culture bearers" still clinging to bygone racialism & ideals.
