Seen the AN once so i guess its almost unknown.

I used to do pixel art, that explains my nation.

Trossikada, Land of the Trossi

A fairly large tribal nation which hasn't been welcoming to outsiders, until recently. Tech level: Modern Tech.

NS stats aren't canon. Neither is my current flag (It's a Ukraine variation of the [canon one](#)).

Speaking from my experience, Hantuonia is pretty well known on International Incidents. A nice fella he used to roleplay there with us. When he started out there with us he used to post very low quality, one-liner, and proletarian posts. But then he disappeared from II and when he came back he was a very different Roleplayer. He posts decent and good quality stuff and has improved quite rapidly and I'm very happy for him. He is a well known guy.

On the morning of 1792 NS Stats were brought out on the streets of Paris.

And were 'Guillotined' in front of a large crowd of 10,000 Parisians.
