Zohianian Communal Forward Party is close to my heart, but I'd probably vote United-Left for harm reduction sometimes. ZARWA is kind of okay too.

The **North Sea Realm**, colloquially known as **Northaria**, established in 1421 A.D.  
(current constitution: 2022).

A multiethnic Northern European nation with strong democratic traditions and an  
elective monarchy, now building socialism.

We use NS stats, with the exception of tax rates and the related stats. The  
Northarian population is roughly 88.5 million as of last census.

Member of the **Atlantic Defence Agreement** and the **Arctic Council**, current  
president of the **Western European Union**.

I reject anything and everything political that I posted on here prior to 2019.

AAN:

1. National Democratic Party
2. National Visionary Party
3. Constitutional Democratic Party
4. Liberal Democratic Party
5. Codex Democratic Party
6. Social Progressive Party
7. The Libertarians
8. Freedom and Democracy

Would hope for a UPA-DC-LB-FFF coalition.

AN: Liberal Party.

BN: If you choose a party with factions (i.e. Liberal, SDP, or National), perhaps also say what faction you would most align with/vote for.

*If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary.
