Quel est la réalité? Mon souffle, tellement mécanique!

*A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.*

Sheer force of will is unfortunately not enough.

Through some *expert* analysis, I will guess Rylland.

Lumaterra! Would you rather fight fifty krampus sized gorillas, or one gorilla sized krampus???

Oh, wowee, I have a signature now! I dunno what to put in here...

So, any pronouns are fine by me. I am NOT taking this game seriously, so don't expect me to. If you're rude I'm probably gonna hold a grudge, it's a habit. If you like the flag, please read my Flag Credits Factbook. Otherwise, have an amazing day!

P.S. If I'm on an F7 thread, then don't make a comment on my flag. People who did it before I put this in the signature are in the clear, but as I said, someone else made this flag, and it has no real reasoning to my real life character.
