Blue and black remind me of "Blue Lives Matter". Stars remind me of America. Normally this combination would make it 9/10, but the hammer looks socialist so it reduces the evil factor to 6.

Okres Katowice (Katovice district) is a protectorate within the newly formed Upper Silesian Region (Hornoslezský kraj).
The Upper Silesian Region (formerly Silesian voivodeship) was transferred from Poland to the Czech Republic after 2020 Polish presidential election (12.07.2020).

All pro-Czech/pro-Silesian views are my RL political views. Like many Silesians, I feel that Poland treats us terribly. There are many Silesians, me included, who think that we would do much better as part of Czechia and that being part of Poland is/was a terrible mistake.

Mariners unite under our flag of the sea, a flag of peace, a flag of power, a flag of freedom! We tried that, but we'd rather just drink coconuts and sail to Hawaii.
