Do we really need 500 "based on the ANs flag, what color piss do they have?", "man", or "literally count up from a certain number" threads?

I'd rather F7 be full of nothing but 'Based on AN's flag/name/signature/factbooks/banner/most recent post/whatever' threads compared to nothing but copycat threads because no one on this goddamn forum can actually come up with their own ideas for a forum game.

I feel like F7 is just factbooks and national information but just AN instead of YN.

I mean, don't be. People being uncreative and just copying thread ideas to the point where there are like seven or eight nigh-identical topics is an F7 staple.

Shout out to those 'N5 sings' threads from a year or so back.

I'm going to be 27 this Valentine's Day, how do you think I feel? 😄

3 years away from 30, jeez. Have I really been on this Earth for nearly 3 decades? Makes you wonder.

-----

But I digress! Well, cliché (or trope, I like to call it) - we really could use a bit more of magic and tech harmonies. You can have a rock-paper-scissors style with the magic abilities and the tech, and I think that will be pretty nice to explore.

I mean, come on. A cruise missile that is imbued with frost? Or a soldier's armor that can actively heal them with holy light? Wew.

I swear, every time someone asked "Season 3 when?", the release date is shifted a day later. At this point, we might get GTA 6 before S3 cards.

Although I gotta admit, I would love a new season just so that I can marvel in myself being a Legendary.

Here are my thoughts on something that happens in F7: Replying after someone replied to you in a game (AKA what some people call 'double posting' even though double posting is posting two times in succession, I still don't understand why you people came up with the second meaning, it doesn't even make any sense)

I personally don't care if someone replies to someone who replied to them once. I only have a problem if they do it multiple times in a row because, at that point, you're really not giving anyone else a chance to participate in the thread, you know?

Also if a thread hasn't been replied to in at least a day or more I want to bring the thread back up, you bet your ass I'll reply to someone who replied to me. I'd rather do that than just posting 'bump' tbh.
