A buddy of mine is a railroad engineer, so I asked him how many derailments he had.
He lost count, it's hard to keep track.

I feel like I shouldn't have chuckled at that considering the derailment in East Palestine, Ohio, but I did.

Guns that turn into waifus

People to waifus? or themselves? That's gonna be a real question.. if it turns people to waifus then does it turn them into what does the holder consider as a waifus? if he's then real life R34 is possible, not like it already exists
