Discrimination (Deliberate malicious treatment of an individual or group of individuals based on sex, religion, ethnicity and sexual preferences) usually gets you a fine, Hate speech (Committing acts of violence or calling for acts of violence against an individual or a group of individuals based on sex, religion, ethnicity and sexual preferences) can result in a fine in minor cases, prison sentences in major cases.

Not a crime per se. Leader could personally sue in court that instigator is a public nuisance. Originator would be taken to a psychiatric facility to assess his sanity:

If found competent released and subject to civil lawsuit by Leader. If Leader so deigns to sue in civil court, perp would probably be sentenced to wearing a sandwich board for a month that reads: I am a liar. Convicts website (equivalent of irl social media sites) opening page would read "I am a liar who thinks there is something wrong with being Jewish." for about 6 months.

If found mentally incompetent remanded to an asylum (if criminally insane), or a sanitarium if mentally feeble (pathological liars and nihilists are considered mentally enfeebled -- willful nihilists are considered criminally insane)) until better.

Impersonating YL, misconstruing and parodying his actions in popular media for entertainment purposes that bolsters the opposition?
