Impossible. We have no prison. Escaping from captivity is nothing special though. Daily life is to kidnap, be kidnapped and murdered. What do you want, an award?

The politicians would be lynched and the perpetrator would have the new government request to the Fenwicks that they be court-martialled (if a combatant of some kind or a police officer), lynched (if a civilian) or imprisoned (if a foreigner)

If committed by our own soldiers, it should be punished by up to 50 years in prison or even execution, but in practice due to corruption it only tends to end up with what is pretty much a slap on the wrist. If committed by foreign soldiers, they are summarily executed.

Running over and killing somebody who deliberately jumped in front of your vehicle to commit insurance fraud. Am I using that right?

Your home would be raided and all sugar plum fairies would be transported to a suitable (contained) habitat. Then, you would get basically a warning if it's the first similar crime you've done. If you've done it before, then you'll have to pay a heavy fine to cover part of the cost of caring for the sugar plum fairies.
