Bob enters a mysterious shop in the highcross and gets transported to an infinite pit of balloons. It goes on forever and doesn't have a floor. You can walk anywhere and you can breathe.

Auto possibile, Entro i nostri limiti

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
